FedStore receives FEDERAL VAR/INTEGRATOR OF THE YEAR award at the 2010 CRN Public Sector Awards

Jacksonville, FL, June 16, 2010 – *CRN* today awarded FedStore Corporation, a Service-Disabled Veteran Owned Small Business (SDVOSB), its 2010 Federal VAR/Integrator of the Year award. The 2010 CRN Public Sector Awards honor some of the best and brightest in the public sector channel. Categories included five VAR/integrator categories and four vendor categories. Companies such as Microsoft and HP also received awards.

Since 2001, FedStore has provided IT integration services for the federal government, focusing on information security, data storage, networking, and consulting. As a prime contract holder on NASA's SEWP IV GWAC contract (#NNG07DA43B) FedStore works with a host of Government agencies and end users to design, delivery and support information technology solutions within the Federal Government market. FedStore has strategic alliances with leading IT providers like Dell, HP, Cisco and others to offer the latest in technology solutions.

"This award not only show FedStore's commitment to its customers and partners, but affirm that FedStore is a leader in Federal market sector," said FedStore president Jack Cayouette. "We are proud to be able to help our customers fulfill their mission objectives using flexible finance programs and by functioning as the systems integrator that can pull together enterprise technologies to streamline their infrastructure and save them real dollars,"
