

FedStore Listed on the Inc 500 for Third Consecutive Year

Rockville, MD – September 13, 2011 – FedStore Corporation, a leading IT solutions provider, today announced that the company is among the 2011 Inc. 500 fastest growing private companies in America.

“We are delighted to be among the Inc. 500 honorees,” said Jack Cayouette, CEO. “We have a broad and diverse government customer base which we proudly serve. I am especially pleased that we continue to provide the high value information technology products and services our customers need to achieve their missions.”

In the congratulatory letter sent to Mr. Cayouette, Jane Berentson, Editor in Chief of *Inc.* Magazine pointed out that the Inc. 500 list is more than 30 years old, but that, “more than ever, this year’s list is a testament to the creativity, resilience, and tenacity of America’s top entrepreneurs.”

About FedStore

FedStore Corporation is an award-winning, emerging leader providing innovative public sector information technology (IT) solutions from the most respected and predominant names in the industry designed around healthcare, enterprise network infrastructure, storage, video teleconferencing, and both cyber and physical security. As one of 38 contract holders on the seven-year, multi-billion dollar NASA SEWP contract, FedStore is the leading Service-Disabled Veteran-Owned Small Business (SDVOSB) SEWP IV contract holder.

FedStore is a privately-held, (ISO) 9001:2008 certified, Center for Veterans Enterprise (CVE) certified and verified SDVOSB. The company is headquartered in Rockville, Maryland, a suburb of Washington DC.

CRN, a leading publication and website dedicated to the IT Channel, chose FedStore as its 2010 Public Sector Award Winner and Federal Integrator of the Year. Further, FedStore was the top ranked company on *Washington Technology’s* 2010 Fast 50 fastest growing businesses and has been on the Inc. 500 fastest growing privately-held companies in America for the last three years.
